

## Pakistan International Airlines E-invoicing Integration and Support Services

Pakistan International Airlines (PIA) – Invitation to Tender for E-Invoice Integration with LHDN as per rules.

Pakistan International Airlines (PIA), the national flag carrier of Pakistan, invites sealed bids from eligible, experienced, and reputable firms for the Implementation of E-Invoicing Integration with LHDN (Lembaga Hasil Dalam Negeri Malaysia) in compliance with regulatory requirements.

### Objective:

In accordance with the e-invoice directives issued by the Inland Revenue Board of Malaysia (IRBM), all airline operators in Malaysia are required to implement an e-invoicing system for the sale of every ticket, EBT (Electronic Billing Transaction), AWB (Air Waybill), or any type of service where the point of sale is Malaysia."

### Current Setup:

- HITIT System: Using by PIA and Virtual Agents for passenger ticketing, issuing approximately 2000-3000 documents per month.
- Cargospot System: Using by cargo agents for selling Airway bills, issuing around 200-300 documents per month.

### Integration Requirement:

- Data Extraction:
  - Retrieve ticketing and cargo transaction data from Hitit and Cargospot.
  - Ensure data includes all required fields for LHDN reporting.
- Data Transformation:
  - Standardize formats for seamless integration
  - Map document details to LHDN required structure
- Automated Data Transmission:

- Develop API or batch processing mechanism for real time or periodic data submission.
- Ensure secure and encrypted communication with LHDN.
- Compliance & Validation:
  - Validate data accuracy before transmission
  - Implement logging and monitoring to track submission status

#### Scope of Work:

The selected bidder will be responsible for:

- Development and implementation of an e-invoicing system compatible with LHDN regulations.
- Integration of the e-invoicing solution with PIA's existing financial and ERP systems.
- Ensuring compliance with Malaysian tax authority requirements, including real-time reporting and data security.
- Providing training, documentation, and support for PIA staff.
- Offering post-implementation maintenance and technical support.

#### **\*\*Eligibility Criteria:\*\***

1. **\*\*System Compatibility:\*\*** Ensure the vendor's solution seamlessly integrates with your existing Enterprise Resource Planning (ERP) or accounting systems. This compatibility minimizes disruptions and facilitates a smoother transition to e-Invoicing.
2. **\*\*Compliance with LHDN Standards:\*\*** The vendor must offer solutions that adhere to the specific requirements set by LHDN, including the ability to generate e-Invoices in the mandated XML or JSON formats and transmit them via the prescribed mechanisms, such as the MyInvois Portal or Application Programming Interface (API).
3. **\*\*Scalability and Flexibility:\*\*** Opt for a solution that can grow with your business and adapt to evolving regulatory changes. This ensures long-term viability and reduces the need for frequent system overhauls.

4. **\*\*Robust Security Features:\*\*** Given the sensitive nature of financial data, the vendor should provide strong security measures, including data encryption and secure access controls, to protect against unauthorized access and data breaches.

5. **\*\*User-Friendly Interface:\*\*** A solution with an intuitive and easy-to-navigate interface can reduce the learning curve for your team, leading to quicker adoption and fewer operational errors.

6. **\*\*Proven Track Record:\*\*** Evaluate the vendor's experience and success in implementing e-Invoicing solutions, particularly within Malaysia. Testimonials or case studies from other clients can provide insights into their reliability and expertise.

7. **\*\*Support and Training:\*\*** Consider whether the vendor offers comprehensive support services, including training sessions, to assist your team during and after the implementation process.

## ## INSTRUCTION TO BIDDER

- The BID (Tender) submitted shall comprise of a single package containing two sealed envelopes, each envelope shall be marked and will contain **\*\*\*TECHNICAL\*\*\*** and **\*\*\*FINANCIAL\*\*\*** proposal.
